

1531

China: Accession of Shun-ti, last
emperor of the Yüan or Mongol
dynasty.

1331

Black Death: Bubonic plague to China, then to western Eurasia in AD 1346, penetrating to northern Europe.

1331

Black Death

1331

Flees were ~~the~~ unsuspected transmitters.
The Black Death first appeared among
the Chinese in 1331 killing more than
one quarter of them.
